James Kavanagh, Waterford Press : Missouri Birds: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Missouri Birds: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide):

1 of 1 people found the following review helpful. Dad loves it! By Patricia Kimball Got this for my dad for Fathers Day and he loves it! He uses it all the time when gazing at his two story high bird feeders. I got him a bigger one made by MU, but he really prefers this one! 2 of 2 people found the following review helpful. Perfect item! By Sharon Riley This is perfect for our bird watching. It's easy to handle and identifies the local birds for us fast. Our bird feeders are by a window and this sits on the window sill. 1 of 1 people found the following review helpful. Perfect! By kina I'm a new volunteer at Wildlife Rescue Center. This is going to be extremely helpful!

Missouri is the permanent or migratory home of 428 species of birds, including the state bird, the eastern bluebird. This beautifully illustrated guide highlights over 140 familiar and unique species and includes an ecoregion map featuring prominent bird-viewing areas. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by visitors and residents alike. Made in the USA.

From the Back Cover Missouri Birds, An Introduction to Familiar Species, is a must-have, reference guide for beginners and experts alike. Whether you're on a nature hike or in your own backyard, you'll want to take along a copy of this indispensable guide. The Pocket Naturalist(tm) series is an introduction to common plants and animals and natural phenomena. Each pocket-sized, folding guide highlights up to 150 species and most feature a map highlighting prominent sanctuaries and outstanding natural attractions. Each is laminated for durability. (3 1/2 X 8 1/4 folded, opens to 22 X 8 1/4, color illustrations, map) About the Author Zoologist Jim Kavanagh has made a career out of introducing novices to plants, animals, the sciences and world cultures. In addition to creating over 500 simplified nature guides, he has also authored guides to languages, cities and outdoor skills. An avid traveler and backpacker, Kavanagh's path has taken him around the world to many remote destinations including the upper , Africa, Australia, and the Arctic Circle (and this is just the As). He is also the author of a series of state-specific guides to common species and natural attractions and a children's book on evolution. With 650+ titles in print and 6.5 million copies sold, Waterford Press publishes the largest line of folding-format reference guides in the industry. Our mission is to connect people to the natural world by making knowledge about wildlife identification, outdoor recreation, travel, and safety and survival skills accessible to a wide audience.
