Patti DeLano : Missouri Off the Beaten Path, 9th: A Guide to Unique Places (Off the Beaten Path Series)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Missouri Off the Beaten Path, 9th: A Guide to Unique Places (Off the Beaten Path Series):

0 of 0 people found the following review helpful. No Index!By StagethymeThis was really very disappointing. The actual book is very good and I really wish I had now purchased that rather than the e-edition. The maps on my Fire

HD6 were the wrong way round and virtually unreadable. However my main grouse is the index. Ideally of course, you would locate the name of a place in the index, tap on it and be magically transported to the relevant page. Alas the index is just a collection of names and places, missing out the rather important page number! I can understand not having the e-book page, but even having the page number of the print edition would have helped in finding the sometimes fascinating and always interesting information of a place or person. Without the index working, it became a very frustrating accompaniment to my trip to Missouri. Insightful writing from Patti DeLano, but did I poor job in transferring a travel guide book to an e-format. I'll keep my 3 stars as it is an interesting book but not recommended to anyone as a guide book in this format. 2 of 2 people found the following review helpful. Great book for discovering the out of the way spots By Lynda Phelps This is the second edition that I've purchased. I belong to a motorcycle organization and we take rides on th weekends. This book has provided us with some great destinations. I can't wait for the next edition to come out. 0 of 0 people found the following review helpful. Find hidden places to adventure in Missouri By Helemax These books are a great storehouse of information that make Missouri adventuring priceless memories. I love Missouri due to all the helpful places suggested to explore all over the " Show Me State " , well worth the read !!!

Travel the Show Me state and you discover the back roads, unusual byways, and unique attractions in the state. Six maps and nineteen black-and-white illustrations help you to your destinations.

From the Back Cover Tired of the same old tourist traps? Whether you're a visitor or a local looking for something different, let Missouri Off the Beaten Path show you the Show Me State you never knew existed.
