Mobil Travel Guide : Mobil Travel Guide: Great Plains 2007 (Forbes Travel Guide: Great Plains) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mobil Travel Guide: Great Plains 2007 (Forbes Travel Guide: Great Plains):

0 of 0 people found the following review helpful. Like this guideBy Debra PearlI'd go thru it and plan my vacation by it. It has places to stay and eat along with sights to see. Try to see as much as possible. Day trips, weekends and vacation.0 of 0 people found the following review helpful. Mobil Travel Guide - all regionsBy Robin KlaholzWe recently relied on these guides to make a cross country road trip. We were GREATLY disappointed in the hotels recommended by the guides. We were traveling long days and would rely on the guides to book a hotel to arrive very late in the evening tired and ready for a clean room and reasonable bed and facilities. Most of the hotels Mobil stated were clean and sanitary were AWFUL. I don't have to be in the best hotel on earth but when you have to kill bugs before you get into your bed - you know there is a problem overall. We will not utilize these guides in the future

simply because their hotel reviews are very WRONG.

Trips to the Great Plains take you through the heartland of America, with Iowa's plentiful crops of corn and soybean; the hilly and fertile lands of Kansas; the pioneer history of Missouri, once home to both Mark Twain and Daniel Boone; the vast desert, prairie, and farmlands of Nebraska; and the oil-producing state of Oklahoma, home to the country's largest Native American population. Each state also boasts big-city culture and hospitality. In Mobil Travel Guide's Great Plains guidebook, you'll also find descriptions of four of the country's distinctive American Byways: The Great River Road, Loess Hills Scenic Byway, Crowley's Ridge Parkway, and the Little Dixie Highway of the Great River Road. The Regional Travel Planner: Great Plains covers Iowa, Kansas, Missouri, Nebraska, and Oklahoma. It also includes Side Trips to Denver, CO; Badlands National Park, SD; Wind Cave National Park, SD; and Hot Springs and Hot Springs National Park, AR. The Mobil Travel Guide Regional Travel Planner series (17 titles) gives you a driver's-eye view of trips throughout the United States and Canada. Pick up essential facts, fun trivia, must-do events, and driving details in the introduction to each state or province, then flip through the book to find annually updated attractions, hotels, and restaurants that fit your itinerary and your budget. Organized alphabetically by state/province, or by city when applicable, the guides make it easy to find just what you need.

"Food Wine magazine has given Mobil Travel Guide's Regional Planners an A+ for Usefulness, making the top grade over both Fodor's and Frommers versions."-- Food Wine "Overall, these guides are the winners in this group, combining attractive maps and graphics, comprehensive listings and a few suggestions for itineraries." -- Joseph Siano, New York Times "Mobil, the guidebook publisher oversees what many consider the Oscars of the travel industry."-- Gene Sloan, USA Today
