Nancy Frye, Tracey Gaillard : Mobile the Eastern Shore (Images of America (Arcadia Publishing)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mobile the Eastern Shore (Images of America (Arcadia Publishing)):

0 of 0 people found the following review helpful. Perfect collection of historical people, places and life around Mobile Bay, AlabamaBy W Perry HallWhether you are new to Mobile/Eastern Shore, Alabama or were born and raised in L.A. (Lower Alabama), this compendium of photos with a brief overview of facts wonderfully depicts what makes coastal Alabama distinct and historically significant.It is a little pricey but for my money it's worth it to have in the living room or library to browse from time to time or plan a sightseeing trip for the family around the Bay.0 of 0 people found the following review helpful. Great readingBy RobertMSaw this recently in a store and was able to buy a used version at a significant discount. Love it.0 of 0 people found the following review helpful. high quality and very value for this price .By XavierExcellent product, just what I needed for my crusty artisan breads. Best bread product I ever owned, hands down. And at such a reasonable price. i think it is very good , i receive it very fast. this price is valuable. satisfied.

To say that Mobile has a rich history is like saying Nashville has a few musicians. The port city has a rich heritage dating back to the 1700's. The oldest city in Alabama, Mobile has seen the rule of the Spanish, the French, the British, the United States, the Confederacy, and the United States again. Mobile was celebrating Mardi Gras before New

Orleans. Some of the last fighting of the Civil War took place on a hill outside the city, after Appomattox. Baseball stars Henry Aaron and Satchel Paige even played their first games of baseball in the sandlots here.

About the Author Mobile native Frye Gaillard, well-known author and Southern culture expert, along with his wife Nancy and daughter Tracy, has created a fascinating look at a city steeped in history. Using images from the University of South Alabama archives, the Historic Mobile Preservation Society, and the private collections of historic Mobile area families, the Gaillards capture the heritage and vitality of a city cultured enough to appreciate the past, and lively enough to enjoy the present. Whether one is new to the city on the bay, or a native with roots that reach back through the ages, Mobile and the Eastern Shore will interest every reader.
