Try it if you are going for the first time, but find an up-to-date map on line to download. 0 of 0 people found the following review helpful. Wonderful By Lee Great Pictures, history and overview. It really gets the flavor of the island across. Of course nothing is better than a visit. A great keepsake. 0 of 1 people found the following review helpful. Five Stars By Scott Standish Great Book and awesome photographs

What draws visitors to Monhegan-a small island off mid-coast Maine? It is not just the island's timeless atmosphere and beauty but the quality of the light that has always been a magnet to artists and photographers, as well as to vacationers. Now nature photographer and writer Mark Warner has produced a keepsake-cum-guidebook that is a must-have for anyone who visits-or dreams of visiting-one of Maine's most fabled islands.
