Tanya Lloyd Kyi : Montana (America) before purchasing it in order to gage whether or not it would be worth my time, and all praised Montana (America):

Once a powerful magnet for prospectors, Montana offered a wealth of riches from gold and semi-precious stones to the promise of new life away from the hustle and bustle of cities. Little has changed in this ruggedly beautiful land that is home to the Continental Divide, Glacier National Park and the pristine Columbia and Missouri rivers. About the America series: As expansive as America itself, this outstanding series captures outstanding views of panoramic landscapes, brilliant city skylines, and picturesque communities. Each volume focuses on a city or state and features 96 pages and 70 stunning images by internationally renowned photographers, plus descriptive captions.

About the AuthorTanya Lloyd Kyi is a freelance graphic designer and writer. She grew up in Creston, British Columbia, but now lives in Vancouver.
