W.C. McRae, Judy Jewell : Montana Handbook (Moon Handbooks) before purchasing it in order to gage whether or not it would be worth my time, and all praised Montana Handbook (Moon Handbooks):

For the 6 millions tourists who visit Montana each year, here is an in-depth guide to the state's wilderness, history, and recreational facilities. Detailing all the opportunities to enjoy the natural beauty and history of Montana, this updated edition describes the sights, accommodations, eateries, and best routes in each region.
