This guide book centers on the trout fishing waters in and around the yellowstone country. It covers the famous rivers, streams, and high mountain lakes in three states: Montana, Idaho and Wyoming. Full page maps are included for each water with camp grounds marked. Chapters also cover some of the lesser-known, overlooked and underfished waters in this area.

About the AuthorCo-publishers/editors Ed Mitchell and Mike Robertson were both Idaho natives with two lifetimes of

experience on Rocky Mountain fishing waters. Mitchell and Robertson have worked in the publishing industry in Idaho and Montana for 30 years, producing numerous articles, books and periodicals. Mike Robertson is recently deceased.
