**Michael McCoy : Montana Off the Beaten Path, 6th (Off the Beaten Path Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Montana Off the Beaten Path, 6th (Off the Beaten Path Series):

0 of 3 people found the following review helpful. Off the Reading ListBy Jay A. ZweigUnless you live in Montana or are very familiar with the State, then this book will be of little use. Get yourself a good guide book and a detailed map. Montana is a beautiful state, but this book was not helpful on our recent trip. And it's a very dull read, in my humble opinion. Pass.

From the woolly wonders of the Big Montana Sheep Drive to the historic Little Bighorn Battlefield, Montana offers many choices to travelers who wish to discover Big Sky Country.

From the Back Cover Tired of the same old tourist traps? Take the road less traveled and discover the hidden attractions, unique finds, and unusual locales other guidebooks just don't offer. Off the Beaten Path features the things you'd want to see - if only you knew about them! From the best in local dining to quirky cultural tidbits, you'll say over and over again: "I didn't know that!" Whether you're a visitor or a local looking for something different, let Montana Off the Beaten Path show you the Treasure State you never knew existed. See the aftermath of Mother Nature's power at the Madison Canyon Earthquake Area; feast on bear, elk, rattlesnake, and more at a wild game cook-off; or learn the true meaning of hardwood forest at the 26,000-acre Gallatin Petrified Forest. So if you've "been there, done that" one too many times, get off the main road and venture Off the Beaten Path.
