From Stackpole/Headwater : Montana's Best Fly Fishing: Flies, Access, and Guide's Advice for the State's Premier Rivers before purchasing it in order to gage whether or not it would be worth my time, and all praised Montana's Best Fly Fishing: Flies, Access, and Guide's Advice for the State's Premier Rivers:

2 of 2 people found the following review helpful. Montana vacationBy C. MillerMy son used this book on our 2013 vacation. He found it informative and easy to follow. Fishing is Montana isn't as easy as the books make it sound. It

takes area knowledge and experience to catch the big ones. To find out what flies are working for the time, it's a good idea to stop in at a local fly shop. Those guys all fish regularly and know specifics for the time of year depending on the temperature and water levels.1 of 1 people found the following review helpful. Very nice, well written book with very good picturesBy JamesVery nice, well written book with very good pictures,hatch charts and concise information relative to each river. Worth buying to use as a guide to plan a trip.0 of 0 people found the following review helpful. Four StarsBy Terryperfect

The best places and times to fish Detailed maps and hatch charts plus top producing fly patterns with recipes Local guides and outfitters on techniques and tackle Whether you want to target trout sipping Tricos on the Missouri, pack in to the South Fork of the Flathead for a wilderness adventure, or simply find a good spot to fish while on a vacation to Glacier or Yellowstone National Park, this guide is the best place to start for a successful fishing trip. With stunning photos, detailed maps and hatch charts for each river, photos and recipes of the most effective fly patterns, and insider information from local guides and outfitters, Montana's Best Fly Fishing is an essential reference for the best fishing in Big Sky Country.

About the AuthorBen Romans graduated from the University of Montana's journalism program, and after guiding for several seasons in western Montana, he became the associate editor at Fly Fisherman magazine. He now works as a freelance writer and photographer from his home in Boise, Idaho, contributing to publications such as Field Stream, American Angler, Fly Fish Journal, Northwest Fly Fishing, Angling Trade, and Big Sky Journal.
