**From Graphic Arts Center Publishing Company : Montana (State Calendar)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Montana (State Calendar):

With stunning photos of the mountains and valleys of Montana, this enhanced calendar features an updated grid design with extra space for notes and photos, along with a four-month planning guide for September-December 2009.

About the Author Vasapoli produces photographic still images for clients in many areas of photographic expertise; editorial assignments, calendars, commercial and stock photography. His large format tabletop book "Montana" with text written by congressman, Pat Williams has won both the 2004 Sappi Gold Medal for top photographic book in North America and World International Awards. His artwork hangs in many private collections and corporate offices from New York to California.
