0 of 0 people found the following review helpful. Great Guide Book By DPI live in Monterey and we are so lucky to have so much wildlife around us. This is a great, sturdy, easy to use guide that shows the majority of the commonly seen wildlife in the area.

One of the most varied and spectacular natural areas in California, Monterey's pristine beaches and rich forests are teeming with wildlife including sea otters, sea lions, monarch butterflies and over 400 species of birds. This beautifully illustrated guide highlights over 140 familiar and unique species of mammals, birds, reptiles, amphibians, seashore creatures and butterflies/insects and includes a map featuring prominent wildlife-viewing areas. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by visitors and residents alike. Made in the USA.

About the Author Zoologist Jim Kavanagh has made a career out of introducing novices to plants, animals, the sciences and world cultures.
