**Jeff Perk : Moon Cape Cod, Martha's Vineyard, and Nantucket (Moon Handbooks)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Moon Cape Cod, Martha's Vineyard, and Nantucket (Moon Handbooks):

4 of 4 people found the following review helpful. useful, but could be more in-depth By Jen Masciadrelli I've used Moon handbooks before (traveling to Atlantic Canada as well as British Columbia) and I've found them much more useful than the average guidebook. However, about half of this book was dedicated to Martha's Vineyard and Nantucket. While I appreciate that these locations are part of the Cape, I felt that the "Mainland" Cape portion of the book was given the short end of the stick. That said, I found the information in the book to be accurate and enjoyed

Travel writer and photographer Jeff Perk offers his extensive knowledge on this classic New England destination, from fried clams and proper chowda to canoeing, windsurfing, and sailing. Jeff narrows in on the unique charm of the region, where travelers can sit on the beach alongside celebrities, then go eat fried clams on picnic tables and catch a drive-in movie. With details on accommodations, dining, and coverage of the lesser-known paths and waterways, Moon Cape Cod, Martha's Vineyard, and Nantucket gives travelers the tools they need to create a more personal and memorable experience.
