**Kim Weir : Moon Handbooks Coastal California** before purchasing it in order to gage whether or not it would be worth my time, and all praised Moon Handbooks Coastal California:

From the best seafood on the North Coast and white sand beaches in San Diego to hiking in San Francisco, Moon Handbooks Coastal California is the guide to the best the coast has to offer, both on and off the beaten path. Practical information includes suggested travel strategies and lists of must-see sights, plus essentials on dining, transportation, and accommodations for a range of budgets. Complete with details for enjoying hikes, dives, rides, and campsites, Moon Handbooks Coastal California gives travelers the tools they need to create a more personal and memorable experience.

"The latest in the batch of Moon Handbooks releases proves again that Moon is one of the finest travel series around. What sets Moon apart from most guidebooks is the attention to detail, and more importantly, a respect for the topic."
