Elizabeth Morris, Mark Morris : Moon Handbooks Coastal Oregon before purchasing it in order to gauge whether or not it would be worth my time, and all praised Moon Handbooks Coastal Oregon:

1 of 1 people found the following review helpful. Useful GuidebookBy htownRead it before and used it during recent road trip along Highway 101. Accommodation suggestions for smaller towns were particularly useful and accurate. Makes suggestions for all types of travellers and is a well rounded collection of information.

Featuring lively town-by-town portraits, this guide ranges from the resurgent Victorian hospitality of Astoria to the family-friendly resort attractions of Seaside, the sophistication of Cannon Beach to the hardworking fishing harbour of Newport.

"The latest in the batch of "Moon Handbooks releases proves again that Moon is one of the finest travel series around. What sets Moon apart from most guidebooks is the attention to detail, and more importantly, a respect for the topic."
