**Julian Smith : Moon Handbooks Four Corners: Including Navajo and Hopi Country, Moab, and Lake Powell** before purchasing it in order to gage whether or not it would be worth my time, and all praised Moon Handbooks Four Corners: Including Navajo and Hopi Country, Moab, and Lake Powell:

11 of 13 people found the following review helpful. Good basic guideBy Daniel PoorThis is a well written and well organized guide. There are very few that focus on the Four Corners per se. If that is your area of interest, definitely buy this book. If you are interested in the Four Corners as part of a bigger AZ or NM or UT tour, you may be just as happy with buying the AZ or NM or UT book(s).3 of 3 people found the following review helpful. Land of the

AncientsBy Joseph Abiuso Jr.I have visited this area for over 20 years. I was looking for a book that investigates places I might have missed so that I may include them in my tours. Since I continue to visit the Navaho Res I found this handbook to be of interest. And I indeed recommend it for those looking for that unusual Native American journey.

For more than 30 years, the award-winning Moon Handbooks series has been the top choice among independent travelers who want a unique experience, a new perspective, and a few new stories to tell. With Moon Handbooks travelers are given the tools to make their own choices and create a travels strategy that's theirs alone. The results? A more personal and ultimately more satisfying travel experience.

Moon Handbooks exude a road-wise, close-to-the-ground authority.
