**Laura Martone : Moon Michigan (Moon Handbooks)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Moon Michigan (Moon Handbooks):

World traveler Laura Martone spends summers with her family on Michigan's Big Bear Lake. In Moon Michigan she shares her favorite Michigan experiences, from indulging at the National Cherry Festival in Traverse City to exploring Detroit's rhythmic roots and auto museums. Martone provides itineraries such as trekking through the Upper Peninsula, touring lighthouses on the Great Lake shoreline, and splurging on a luxury BB on the popular Mackinac Island. Moon Michigan is packed with information on dining, transportation, and accommodations. Complete with details on where to ice fish, taste-test local fudge and go golfing in the Lower Peninsula, Moon Michigan gives

travelers the tools they need to create a more personal and memorable experience.
