Tim Bower : Moon Minnesota (Moon Handbooks) before purchasing it in order to gage whether or not it would be worth my time, and all praised Moon Minnesota (Moon Handbooks):

0 of 0 people found the following review helpful. Great Guide...By Gee EmmA very useful guide that covers state parks, national monuments and more locally known places to see and visit. Small enough for the backpack or the car glovebox.3 of 3 people found the following review helpful. Moon MinnesotaBy C. WilkeExcellent travel book. Having just returned from our first trip to Minnesota, we found the information invaluable. Lots of off the beaten track places that are delightful. All accurately reviewd .0 of 1 people found the following review helpful. Over the Moon!By Edward YaekleAn amazing book. I am setting up a new travel agency in northern Minnesota and I have found this book invaluable. Not only does there appear to be a plethora of information, but also every fact I have cross checked has been completely true and accurate.Very informative. So much so that I plan on offering Moon Handbooks with

every tour, trip and vacation I put together.

Long-time Minnesotan Tim Bewer brings years of travel writing to the table in *Moon Minnesota*, from the old European charm of St. Paul to the sophistication of Minneapolis. Bewer provides a great list of travel strategies such as Best of Minnesota, A Long Weekend in the Twin Cities, and Wacky Minnesota. Bewer covers the thriving Twin Cities nightlife that bustles with places like Whiskey Junction and Fitzgerald Theater, as well as Duluth's historic BBs that recapture Victorian allure. Outlining the guide by region, *Moon Minnesota* gives travelers the tools they need to create a more personal and memorable experience.
