Jeff Ficker : Moon Phoenix, Scottsdale and Sedona (Moon Handbooks) before purchasing it in order to gage whether or not it would be worth my time, and all praised Moon Phoenix, Scottsdale and Sedona (Moon Handbooks):

13 of 13 people found the following review helpful. As Broad And Far Reaching As The Region It CoversBy R PRIU
This year I've taken trips to three places I was totally prepared to not like. In the case of Phoenix, Scottsdale, and their neighbor to the north Sedona I was sure I'd hate absolutely everything about the region. I figured the best case scenario would be unbearable heat and a bone dry terrain that I'd just force myself to endure. I ordered the hard copy of this guide right before I was ready to hop the plane. As it turned out, this book really softened me up for my trip because it provided a ton of suggestions for fun things to do and see. As it turned out, I sort of fell in love with Arizona, its culture, climate, and endless possibilities for a fun weekend, longer trip, or more. While Phoenix and Scottsdale are happening places that ooze fun and culture, Sedona was absolutely unforgettable and about as close to

heaven as you can get while still being earthbound. This book is very detailed and contains a mountain of pictures that are as seductive as the desert itself. It also contains nice maps and really provides the traveller with everything they need to know to make the most of their trip. I plan to use this book again because I am going back. 0 of 0 people found the following review helpful. Pretty Good By Donna Russell Doesn't have everything but what does? Good guide to take visitors around with. Would have liked Flagstaff too...it's really close to Sedona which is included. 0 of 0 people found the following review helpful. Very Good Information By TMB The book provided very good information on things to do and see in the Phoenix, Scottsdale and Sedona areas. Well organized and easy to read.

Longtime Phoenix journalist and Arizona Monthly co-founder Jeff Ficker has nearly a decade of experience covering Phoenix as a writer and editor. In *Moon Phoenix, Scottsdale Sedona*, he covers the hot spots of the Valley of the Sun, including Phoenix's sandstone peaks, the red rocks and vortexes of Sedona, and the best golf courses and shopping Scottsdale has to offer. Discover the rich culture of the Native American tribes who first settled the Valley, venture north to the leafy respite of Oak Creek Canyon, marvel at larger-than-life cacti at the Desert Botanical Garden, or explore fossils at the Mesa Southwest Museum. Packed with information on the best dining, transportation, and accommodations, *Moon Phoenix, Scottsdale Sedona* caters to a range of travel budgets. With unique travel strategies such as Desert Romance and Southwest Heritage, *Moon Phoenix, Scottsdale Sedona* gives travelers the tools they need to create a more personal and memorable experience.
