**Andy Rhodes : Moon Texas (Moon Handbooks)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Moon Texas (Moon Handbooks):

As a longtime Austin resident and writer for the Texas Historical Commission, Andy Rhodes knows the best ways to experience the Lone Star State. In keeping with the "everything is bigger in Texas" motif the state is famous for, Andy covers a colossal amount of sights and activities, including catching up-and-coming indie bands at Austin's South by Southwest music festival and exploring the rugged landscape of Big Bend National Park. Andy also offers unique trip strategies that help travelers plan trips according to their interests, such as Texas Foodan exploration of Southern cooking and Tex-Mexand Overlooked Natural Wonders. With detailed information on everything from surfing and

fishing the Gulf Coast to checking out museums in Dallas, Moon Texas gives travelers the tools they need to create a more personal and memorable experience.
