A wealth of walks in SE MassBy Ken ZirkelThis book covers more of SE Mass (Seekonk, Fall River, Dartmouth, etc) than does the author's first volume ("Nature Walks in Eastern Massachusetts"). This book has seven nature walks south of I-495 and I-95. You might also check out Falcon's "Hiking Massachusetts" which offers more information on each hike and doesn't overlap much with this volume.0 of 0 people found the following review helpful.
