I learned a lot from Russell's book and it helped make my trip to Disneyland even better. He provides great information on Disneyland park and its rides and attractions. Russell's book helped me appreciate all the details in the park that I'd otherwise may have missed. The photos and the paper quality also make this book a great souvenir of Disneyland.0 of 0 people found the following review helpful. Awesome read!!By Barbi MarshallI am reading this right now and am loving it!! I read the first edition, which was great, and this one is even better!!
