Ken Weber : More Walks Rambles in Rhode Island before purchasing it in order to gage whether or not it would be worth my time, and all praised More Walks Rambles in Rhode Island:

0 of 0 people found the following review helpful. Five StarsBy Horror ReaderAnother Weber classic.0 of 0 people found the following review helpful. Walking in Rhode Island...By HMS WarspiteThe outdoor emphasis in Rhode Island is definitely on the waterborne charms of Narragansett Bay and the Atlantic Ocean. However, even in a state as small as Rhode Island, there are worthwhile scenic walks and rambles for the tourist and active local. Ken Weber's "More Walks Rambles in Rhode Island" provides a menu of interesting strolls, walks, and rambles. Locales include forests, ponds, and the ocean frontage around the state. A few of the walks feature items of historical interest. All take in the surprising beauty of the land in the Ocean State. Although out of print, this book is still worth tracking down.0 of 1 people found the following review helpful. Four StarsBy SunValley RoseNot for myself, but a gift.
