PearsonThis book is so dated that it misses a lot of the best spots and (accordingly) can't possibly provide the Best and Most Romantic Weekends. The pictures are nice but, since this book is published in 2000 and most reviews then are from 1999 (at best!), the ratings are very dated and new establishments which own the local market are not eve mentioned.2 of 2 people found the following review helpful. Fabulous getaways for special occasions!By Dana J. SmithThis book is a must-have for anyone looking for ideas for a special getaway. The photographs of the inns are excellent (I hate travel

books without photos!), and I found the descriptions to be quite accurate and very helpful (advise on the amenities, the best rooms, etc.). Be advised that most of the inns are rather pricey, thus the recommendation that the inns are for "special" getaways (anniversaries, honeymoons, etc.). I do think the dining and activities recommendations could be more detailed.

Couples seeking a relaxing respite from weekday stress or a perfect place to celebrate a special occasion need look no further than the pages of *More Weekends for Two in Northern California*. From rustic cottages on the Mendocino coast to stately Wine Country manors, Bill Gleeson points couples to Northern California's most romantic places to get away. This new edition of a Chronicle Books best-seller offers updated information on rooms, rates, and amenities like fireplaces, hot tubs, canopied beds, and private decks. Beautiful color photo-graphs of interiors and exteriors show vacationers exactly what they can expect at each of these 50 charming destinations.

About the Author Bill Gleeson -- travel writer -- is a fourth-generation Californian whose life-long interest in the state's byways and hamlets have been the source of inspiration for much of his writing. In addition to *Backroad Wineries*, he is the author of *Weekends for Two in Northern California*, *Weekends for Two in Southern California*, *Weekends for Two in the Pacific Northwest*, and *The Great Family Getaway Guide*, all published by Chronicle Books. John Swain has published his photographs in *Our Town: 50 Terrific Bay Area Escapes*.
