Ken Aiken : Motorcycle Journeys Through New England: 4th Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Motorcycle Journeys Through New England: 4th Edition:

0 of 0 people found the following review helpful. Good book....By F. Nelson We purchased this book to help plan a ride through New England. It is very detailed and provided us some great ideas and information. 1 of 1 people found the following review helpful. Mandatory Reading By David Brack If you are planning a trip to New England and want to get the best bang for your buck and time spent on the road, this is a must read. Use it to plan your trip and then

make it part of your travel gear. 0 of 0 people found the following review helpful. waitingBy lost1the rides seem very interesting, can't wait for the weather to warm up to give it a live tryout.

This all-new fourth edition of the most popular motorcycle touring guide to New England offers more suggested routes than ever, along with fully updated listings of motorcycle-friendly lodgings and great out-of-the-way restaurants. Motojournalist Ken Aiken leads two-wheeled travelers through twisty mountain passes and beautiful valley backroads to scenic, intriguing destinations in six key regions: the rugged Maine coast, the high notches of New Hampshire's White Mountains, the lush gaps of the Green Mountains of Vermont, the Lake Champlain region between upstate New York and Vermont, the rolling Berkshire hills of Massachusetts, and the coastal delights of Rhode Island and Connecticut. Aiken covers well-known motorcycle-touring roads like Vermont's Route 100, the Mohawk Trail, and the Kancamagus Highway, but his inclusion of little known regional roads frequented by local riders sets this guide apart from others. Altogether, Aiken has carefully plotted 28 trips for motorcyclists, most of them taking one day to complete. Multi-day tours can easily be created by linking adjacent trips. Each trip includes a detailed map and specific route directions. The trips are designed to accommodate various riding styles and audiences, from sightseeing two-up travelers to sport riders bending the curves.

Vermont: the Marble Belt, Green Mountain Gaps, the Piedmont, the Northeast Kingdom, Lake Champlain
New Hampshire: the Bronson Hills, Seacoast region, Lake Winnepesaukee, the White Mountains, Coos County
Maine: Mid-coast, Mount Desert Island, Down East, the Great North Woods, Rangeley Lakes
Massachusetts: the Berkshires, Mohawk Trail, Central region
Connecticut: Litchfield Hills, Eastern Connecticut
Rhode Island: the Gilded Age of Newport

"I got back from a ten-day trip to New England and found a copy of Ken Aiken's book in the mail. Dang! I wish I had brought it with me. . . . Ken is a good writer, and the 350 pages are a pleasure to read. And the pictures are a delight. I do recommend having it in your tankbag should you ever go to New England. And if you haven't ever planned on going Down East, and you read this book, you might change your mind." - RiderMagazine.com
