Scott Cochran : Motorcycle Journeys Through the American South before purchasing it in order to gage whether or not it would be worth my time, and all praised Motorcycle Journeys Through the American South:

0 of 0 people found the following review helpful. Four StarsBy Mothragood read.0 of 0 people found the following review helpful. Four StarsBy Ronald Wesleyok0 of 2 people found the following review helpful. American SouthBy Eric R. PoggenburgI thought this was a great book for the all around motorcycle traveler. The author provides a lot of side trips and interesting sites to see along the 23 routes. I found the directions clear and easily understandable. I was

slightly disappointed when I didn't see Louisiana, I guess we have hurricane Katrina to thank for this. Truly a great addition to anyone's travel collection, especially if they're interested in the south.

With Scott Cochran as your guide, take a fascinating journey through a region that still honors values and traditions handed down from generation to generation. Meet some of the people who have shaped the very fabric of Southern society, and ride some of the best motorcycle roads south of the Mason-Dixon Line. Learn the best places to eat, sleep, shop, and explore the rich history of the American South. Written by a prominent southern motojournalist, this book provides an informed sampling of what the region is today and what has defined its past. Detailed maps, photographs, and easy-to-follow directions are provided.

About the AuthorAs the editor of U.S. Rider News (formerly Dixie Rider News), Scott Cochran is uniquely qualified to introduce fellow motorcyclists to the joys of two-wheel travel through the American South. A native of Keysville, Georgia, he is at home on the back roads and byways of this fascinating region and writes about its culture and history as only a Southern motojournalist can.
