Martin Schroth : Motorcycle Rides in the Old West before purchasing it in order to gage whether or not it would be worth my time, and all praised Motorcycle Rides in the Old West:

0 of 0 people found the following review helpful. The Best Book for Awesome RidesBy Timmy L. WestDetails make the difference in this excellent compendium of awesome motorcycle rides west of the Mississippi. The author has carefully selected some of the most beautiful, and sometimes challenging, routes in the U.S. I especially liked the awesome color photos of the terrain one will see along some of these routes. The route maps and explanations of each route are clear and comprehensive. After reading this book you will be ready to put your boots on and go!

10 must motorcycles rides in the western United States. A full description including a map. Each ride is detailed with the riding experience as well as places along the route with breathtaking pictures.
