We ride as often as time allows but don't know of many nice places to ride to. I ordered this book and what a surprise it was to see all the great rides. We wouldn't have found many of these rides or places to visit on our own without exploring for a few more years. It is very obvious that David Haynes has spent plenty of time riding the roads in Alabama and has done a fantastic job at documenting his travels and creating this book. 0 of 0 people found the following review helpful.
