**Robert Decker, Barbara Decker : Mount St. Helens National Volcanic Monument (A Pocket Portfolio Book) (Pocket Portfolio Ser. Series, 3)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mount St. Helens National Volcanic Monument (A Pocket Portfolio Book) (Pocket Portfolio Ser. Series, 3):

If you are going to only buy one book on Mount St. Helens, this is the book. It is a combination of interpretive information and photography of the best landscape photographers in the United States. A top seller at the visitor center in the park. Buy this before you go to the park to get your excited about your visit or after a visit to serve as a source of memories for years to come. Over 5 million people have purchased our books over the years. You can count on quality every time you open our pages.

About the Author Barbara Decker is a science writer who has been studying and writing about volcanoes for thirty

years. With her husband, volcanologist Robert Decker who died in 2005, she has co-authored fifteen books and numerous articles about volcanoes and National Parks. She divides her time between her homes in Mariposa California and Kawaihae, Hawaii.
