Bike Steve's Wilderness Treks: A Guide to New Hampshire's Remote Northern Territory:

Steve Langella, a feisty mountain biker who dotes on his one-speed bike and lives for adventure, has nearly a decade of experience trekking the isolated forest regions of New England. This book explores the North Country of New Hampshire, where Langella has logged over 10,000 off-road biking miles. Written with a true Yankee flair and an environmentally sensitive perspective, this book offers information on how to prepare for wilderness mountain biking, detailed maps, route notes, wilderness survival tips, and numerous compelling essays.
