Ray Hoven : Mountain Bike Trails of Wisconsin (Illustrated Bicycle Trails Book Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mountain Bike Trails of Wisconsin (Illustrated

Bicycle Trails Book Series):

Includes most Rail-Trails. Easy to Reference and Use! Directions to trail areas, locations distances to nearby communities. Facilities noted where available near or on the trails with trail distances, settings, and difficulty levels. State and sectional overviews trail rules, with riding tips contacts for additional information, plus alternate trail uses such as x-c skiing, hiking, snowmobiling, horseback riding, etc.
