Dwain Abramowski, Sandra Davison, Mike Terrell : Mountain Biking Michigan: The Best Trails in Southern Michigan (Mountain Biking Michigan's Best Trails) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mountain Biking Michigan: The Best Trails in Southern Michigan (Mountain

Biking Michigan's Best Trails):

0 of 0 people found the following review helpful. Mountain Biking Michigan: The Best Trails in Southern Michigan (Mountain Biking Michigan's Best Trails) By joey This book is very detailed about the area, maps, and things to see. Includes directions to the trail your heading to. I havn't gone to any of the trails yet due to the weather, but I have read a few of them and I am very impressed with this book. 2 of 2 people found the following review helpful. Bring it on!!!!!! By Richard Stone The most important part of this book is its completeness. Once you own it, you'll never get bored because of lack of trails to go on. It's very complete, giving you maps of the area, general difficulty, and things to watch out for when on the trails. The only thing they seem to fail to mention is the nearest hospital for some of the more extreme ones. They don't get a lot of the orth Country Trail on here, so if you want that get the book on the northern trails of Michigan. Good luck and good biking!
