**Rusty Hoffland : Mountain Getaways: Anniversary (On the Road With Rusty)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mountain Getaways: Anniversary (On the Road With Rusty):

2 of 2 people found the following review helpful. Mountain Get AwaysBy patricia DeNuneThis book is excellent if you are tired of the hussle and bussle of the city and looking for a GREAT weekend trip to the mountains. The maps are a little hard to see but the write-ups for all of the Inns are tremendous. Also included is what to do around the town

with restuarants included.
