Very DisappointedBy clare b.The book is uninteresting and provides no instruction, much like his television shows. I would like to sell it if anyone would like to buy.1 of 1 people found the following review helpful. A View of our WorldBy Sinjin2Roger Bansemer is truly gifted! Not only is he a gifted artist but he also brings the world he paints to life. He adds history and humor, local flavor and color to a place most of us will never see. Every book he has published is a plus for any book shelf! People of all ages can enjoy his books.

More than 200 stunning watercolors of America's most visited National Park. Combining gorgeous painted settings with handwritten text about nature, personal observations, and unique experiences within the park.
