I hoped it would look better on the inside but I gave it as a gift to someone moving.. it was kind of blah. Hope they found it interesting, at least. I liked the cover but inside had no artwork, not even any pictures.. just plain beige with black font.. a picture or two would've been nice for a book about moving to a new area. But - it shipped quickly, was cheap, and you can email the publisher for more info.. so not too shabby..1 of 1 people found the following review helpful.
