neighborhood descriptions, and activities in the area) for anyone seriously interested in moving to Naples. It is a good starting point. 0 of 0 people found the following review helpful. About the Author Former Jersey girl, Alysia Shivers, left the brutal cold and depressing gray skies of the Northeast in February 2000 for the sunshiny world of Naples Florida. She was in her mid-20s at the time and had no real desire to call Florida home. And yet, today, she can never imagine going back up north. Alysia is proof that you can have a professional career in Naples having worked for some of the more prominent employers in the area, including The Registry Resort (now the Naples Grande Beach Resort), Gulfshore Media and John R. Wood Realtors. As a full-time Realtor she devotes her time to marketing this sophisticated, beachside city and helps others who are tired of those cold, gray days find their place in this beautiful Gulfside oasis.
