Ms. Nicole Berard : Museums of Boston: A Guide for Residents and Visitors (Westholme Museum Guides)
before purchasing it in order to gage whether or not it would be worth my time, and all praised Museums of Boston: A
Guide for Residents and Visitors (Westholme Museum Guides):

2 of 2 people found the following review helpful. Incredibly useful, comprehensive, and surprising
By Edward Boches
Great book for anyone interested in Boston Museums. They're all here. Including those you never knew about. I've been visiting Boston museums regularly for years and learned about places I never even knew existed. If you have even an ounce of curiosity you'll never be bored on a rainy Sunday again.

Even before there was a United States of America, the city of Boston, Massachusetts, had begun to establish itself as an intellectual and cultural centre. At the forefront of colonial dissent, 17th-century Boston attracted theologians, philosophers, and writers. This work provides a curator's-eyeview of Boston, with maps and transportation guides.

About the Author
Nicole Berard is a professional writer and native Bostonian.
